About Us

Backcountry Squatters is a 501(c)3 Nonprofit that strives to create and cultivate a community network dedicated to supporting college women in the outdoors. Today, Backcountry Squatters has chapters established on each coast and is rapidly expanding throughout the country. Each chapter takes its own unique approach to cultivate a community that encourages its members to participate and lead in the outdoor community and industry.

Backcountry Squatters chapters open the door to outdoor opportunities that women have historically been excluded from. We also work to ensure that the door is kept open and widened for other demographics and communities that have been denied the opportunity to enjoy the great outdoors.

Backcountry Squatters Nonprofit aims to provide the foundation and the necessary resources to grow women's participation, leadership, and representation in the outdoor industry and community.

We welcome all women (transgender and cisgender) as well as non-binary people who identify with the women's community. We do not discriminate on the basis of race, ethnicity, religion, gender identity or expression, sexual orientation, disabilities, age, status as a veteran, national origin.
